### **\*\*UNDERSTANDING INSURANCE BENEFITS\*\***

U S Medical Equipment, Inc. (USME) will bill your insurance company for equipment and/or supplies provided to you. You authorize payments to be made to USME on your behalf when you or your representative sign a delivery ticket for equipment and supplies. If you have a secondary insurance, that insurance will be billed for any deductibles and co-pays.

**You are responsible for any co-pays and deductibles that are not covered by a second insurance.**

The products provided by USME are subject to the supplier standards contained in the Federal Regulations shown at 42 Code of Federal Regulations Section 424.57. These standards concern business, professional, and operational matters (e.g., honoring warranties and hours of operation). The full text of these standards can be obtained elsewhere on this website or at <http://ecfr.gpoaccess.gov>. Upon request, we will furnish you a written copy of the standards.
